Preface

Presenting V1 of 2024 Gold, Diamond & Gemstone Pre-Order Collection by House of Jewellery (HOJ). This marks the start of our most sought-after Gold/Diamond Collection, with subsequent editions slated for release throughout the year. Kindly note that minimum order quantities (MOQs) apply, and we offer the option of private labelling to meet your specific requirements. As a general rule of thumb, MOQ is usually 15 pcs per style in Karat Gold.

Our collection is fully customizable, offering the choice of 10K, 14K, or 18K Gold, and the flexibility to interchange stones between diamonds, white sapphire, white topaz, and cubic zirconia. These items are not going to be available through our website and all MOQ rules must be followed if you wish to order. For further inquiries regarding this captivating collection, we invite you to reach out to us at info@houseofjewellery.com. We are eagerly looking forward to the opportunity to collaborate with you and bring these exceptional pieces to fruition in 2024.
