2025 Jewellery Collection

Volume 1

PREFACE

Presenting V1 of the 2025 Gold, Diamond & Gemstone Pre-Order Collection by House of Jewellery (HOJ). This marks the start of our most sought-after Gold/Diamond Collection, with subsequent editions slated for release throughout the year.

Kindly note that minimum order quantities (MOQs) apply, and we offer the option of private labelling to meet your specific requirements. As a general rule of thumb, MOQ is usually 15 pcs per style in Karat Gold.

Our collection is fully customizable, offering the choice of 10K, 14K, or 18K Gold, and the flexibility to interchange stones between diamonds, white sapphire, white topaz, and cubic zirconia. These items are not going to be available through our website, and all MOQ rules must be followed if you wish to order.

For pricing details, you can find the pric sheet link in our HOJINSIDER Instagram bio or check your inbox for our email containing the catalogue and pricing link. Alternatively, you may email info@houseofjewellery.com with a list of all item codes you wish to receive pricing for. Please ensure you include all desired items in one request, as we are conducting a one-time price check for this collection.

For further inquiries regarding this captivating collection, we invite you to reach out to us at info@houseofjewellery.com. We are eagerly looking forward to the opportunity to collaborate with you and bring these exceptional pieces to fruition in 2025.
